About Manufacturer & Exporter

Product Category Index

No.	Series	Qty	Description
01	Emergency Rescue	5	Rapid-response protective cases and kits for rescue, maintenance and field operations — modular, rugged, ready to deploy.
02	Health & Medical	2	Medical and health equipment cases for Army, Navy and aviation medical support — field deployable.
03	Logistics Support	4	Field living and logistics cases — cooking, finance, delivery, sanitation.
04	Command & Operation	3	Temporary command-post cases for emergency command in disaster relief, rescue, exercises.
05	Intelligent Storage & Cold-Chain	4	Smart storage & cold-chain cases for medicine, blood, vaccines, optics — with temp/humidity monitoring.
06	Cultural & Sports	3	Cultural, sports, political-work and imaging cases for troops.
07	Airdrop Equipment	5	Airdrop protection cases & platforms for battlefield and emergency supply delivery.
08	Special Protection	9	Comprehensive 3D protection for weapons, missiles, ammo — sea/land/air rapid delivery.
09	Shock-Absorber Cases	1	Shock-absorbing rack cases protecting precision electronics through drop/impact/vibration — at 1/3 import price.
10	Three-proof Cases	2	Waterproof, dustproof, shockproof cases for optics, tripods, hosts — complete protection in harsh environments.

Technical Standards & Certifications

Item	Specification
Ingress Protection	IP67 — waterproof & dustproof
Environmental	MIL-STD-810G · GJB 150A-2009 · GJB 2711-1996 · ASTM D642-15 · ASTM D951-99
Temperature Range	−55°C ~ +70°C
Airdrop	no-parachute airdrop certified, 100-300 m
Material	LLDPE — eco-friendly, non-toxic, recyclable
Options	(N_2/) · · · · airtight · anti-static · flame-retardant · EMI · IR stealth
Stacking & Loading	Stacking & Loading

Note: the above are the manufacturer's (JHD) general test standards; request the spec sheet from us for exact dimensions of each model.

Rapid-response protective cases and kits for rescue, maintenance and field operations — modular, rugged, ready to deploy.

Emergency Response Unit

Pre-configured modules (personal protection, field support,…

- Multiple unit types by mission
- Loads various rescue supplies

Modular · Rotomolded LLDPE

Rescue Equipment Case

Stores hydraulic cutters/spreaders, jacks, saws, air…

- Modular storage
- Rapid response

IP67 · Shock-resistant

Emergency Power Case

Built-in polymer Li-ion battery, multi-voltage + USB 5V for…

- Multi-port output
- Foldable solar panel (water/shock-proof)

Rechargeable · Solar-ready

Emergency Lighting Case

Field lighting kit for night rescue and operation.

- Portable
- High-output LED

IP67

Ordnance Maintenance Case

General ordnance repair tools & small equipment for…

- Standard tool set
- Portable

Rotomolded

Medical and health equipment cases for Army, Navy and aviation medical support — field deployable.

Medical Equipment Cases (Army / Navy / Aviation)

Comprehensive medical kits for field treatment & epidemic…

- Army / Navy / Aviation variants
- Field operable

Modular · IP67

Tent Hospital Case Set

Box-bed-cabinet combo, multi-function, fast deploy for…

- Box/bed/cabinet combo
- Multi-model

Field hospital

Field living and logistics cases — cooking, finance, delivery, sanitation.

Field Kitchen Cases (4 configs)

Two/three-box field cooking units; 40 / 110 / 150 rations…

- 110 / 40 / 40 / 150 rations per hr
- Modular boxes

40-150 ppl/hr

Field Finance Case

Financial office kit; unfolds to desk, with handle,…

- Unfolds to desk
- Wheels + trolley

Mobile office

Thermal Food Delivery Case

Keeps meals hot/cold during transport; eco-friendly.

- Hot/cold hold
- Portable

Insulated

Box-type Waterless Field Toilet

Environmental portable toilet for field use; quick setup.

- Waterless
- Quick deploy

Field sanitation

Temporary command-post cases for emergency command in disaster relief, rescue, exercises.

Logistics Command Case Set

Personal command case, field command equipment case, field…

- Full command gear
- Fast deploy

Command post

Field Operations Desk

Box-table-chair-drawer combo; unfolds to desk, retracts to…

- Box to desk
- Portable

Field desk

Field Command Office Case

Printers, laptops, cameras, books, supplies for field…

- Full office kit
- Portable

Command office

Smart storage & cold-chain cases for medicine, blood, vaccines, optics — with temp/humidity monitoring.

Medical Cold-Chain & Blood Cases

Covers smart medical cold-chain box, field blood storage,…

- Real-time temp/humidity monitor
- SMS/audio alarm on breach

Cold-chain · 1-10°C / ≤-18°C

General Transport Cases

Modular case set, big/small combo, mixed stacking, high…

- Modular stacking
- Standardized

IP67 · Stackable

Multi-function Storage Case

Shape-memory alloy dehumidification; auto humidity control…

- Auto dehumidify
- Digital control

Humidity control

First-Aid Case Set

Decon, emergency meds, sampling, personal protection…

- NBC first-aid
- Modular

First-aid

Cultural, sports, political-work and imaging cases for troops.

Gongs/drums, entertainment, fitness, books for…

- 4 service variants
- Stackable

Army/Navy/AF/RF

Airdrop protection cases & platforms for battlefield and emergency supply delivery.

Airdrop Ammo Case Set

Patented ultra-light impact-resistant rotomold; modular,…

- Patented ultra-light
- Modular stacking

Airdrop-certified · 20yr life

Airdrop Platform

For weapons, ammo, meds, food; military, disaster relief,…

- Multi-use
- Multiple platforms

Airdrop

No-Parachute Airdrop Kit (incl. tank)

Outer packaging for supplies; airdrop height 100-300m;…

- 100-300m airdrop
- Night-glow tanks

100-300m · No-parachute

Airdrop Module Case & Delivery System

High standardization, environmental adaptability, reusable;…

- Modular
- Reusable

Airdrop module

Low-Cost Airdrop Kit

Direct/rapid no-parachute airdrop of logistics; short prep,…

- Low cost
- Precise

No-parachute

Comprehensive 3D protection for weapons, missiles, ammo — sea/land/air rapid delivery.

Smart Missile Equipment Case

BeiDou positioning, temp/humidity/pressure/gas sensors,…

- BeiDou GPS
- Multi-sensor

Smart · IP67

Airtight Missile Case

Non-open temp/humidity check; N2 pressurization 35kPa or…

- Airtight N2/vacuum
- Dynamic seal

Airtight · 35kPa / -10kPa

Custom Weapon Case

Custom packaging for sniper rifles, Type-95 submachine guns…

- Custom fit
- Secure

Weapon case

Ammo & Firearm Cases

Anti-static rotomold ammo cases with anti-static foam;…

- Anti-static
- Custom foam

Anti-static · IP67

Extra-Large Cases (3-10m)

- 3-10m size
- Steel-plastic

3-10m · Airtight

Military Aid & Trade Cases

Export ammo protection cases to Cuba, Serbia, Mideast,…

- Export proven
- Harsh env.

Export

Ejection Seat Case

Custom packaging for aircraft/rocket ejection seats.

- Custom
- Safe transport

Aircraft

Forward Support Case

Large weapon control system packaging; full protection for…

- Precision protection
- Custom

Aviation support

Camouflage Cases

Custom camo patterns; anti-aging, wear-proof, field-stable…

- Camo patterns
- Field-stable

Camouflage

Shock-absorbing rack cases protecting precision electronics through drop/impact/vibration — at 1/3 import price.

Shock-Absorber Rack Cases (standard / 10U / 12U / combined)

Suspended shock mounts; single or vehicle-fixed; 10U/12U…

- Suspended mounts
- 10U / 12U rack

Shock-absorbing · GJB100-88

Waterproof, dustproof, shockproof cases for optics, tripods, hosts — complete protection in harsh environments.

Special Equipment Protection Case

Day/night sight storage, tripod storage, host storage;…

- Custom EVA
- Injection molded

Water/dust/shock

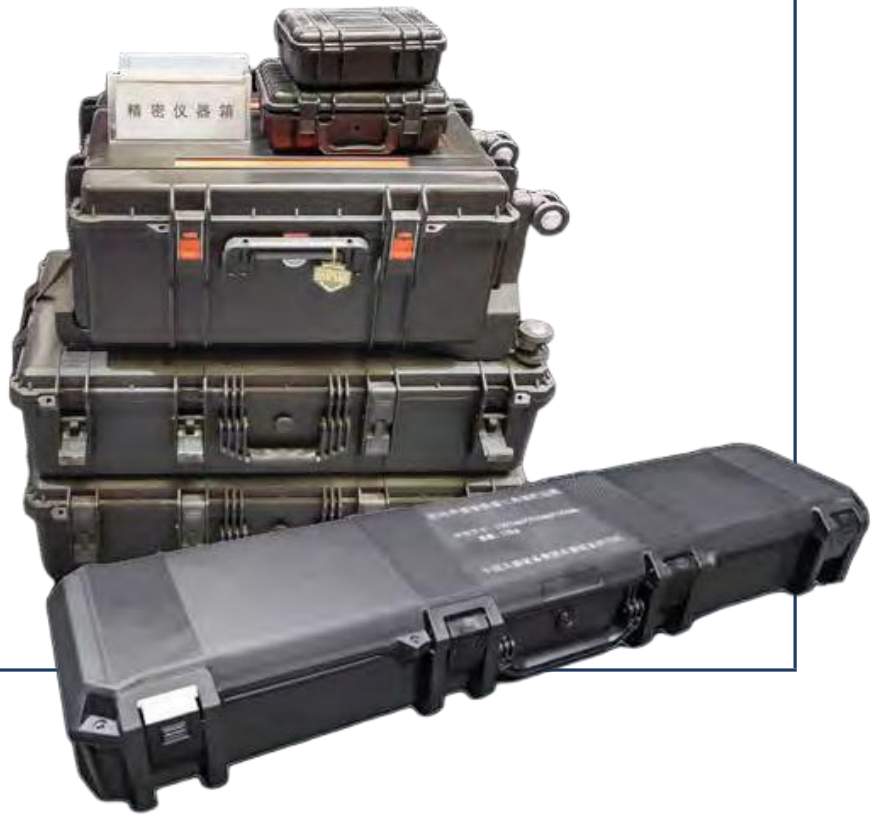

Lockable Carry Case

ABS injection, digital camo coating (IR stealth),…

- IR stealth
- EM shield

3-proof · EM shield

About Manufacturer & Exporter

Manufacturer: JHD - the original developer of China's military rotomolded case system; 20+ years, 600+ product types, 1000+ molds, 6 million cases/year, 500+ staff, 1000+ mu campus.

Exporter: Zhejiang Funder Import & Export Trade Co., Ltd. - export agent for JHD's military-to-civilian rotomolded protective cases.

Capacity: 30+ rotomolding / injection / blow-molding lines, capable of surge mass production.
